We are dedicated to foster the sharing of skills and talents by watercolor artists. We invite artists from everywhere, artists of note and style with teaching ability that will appeal to membership and even artists from outside the club. We have a great team working, and we are dedicated to accomplish and maintain workshop readiness and to keep things moving ahead! It takes a volunteer to make a club. When you come to meetings, please thank the Board and Chairpersons you see for their engagement and continuing efforts!
